MEMORANDUM FOR: Herb Hetu

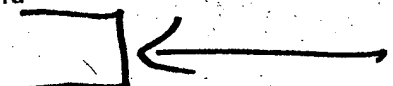

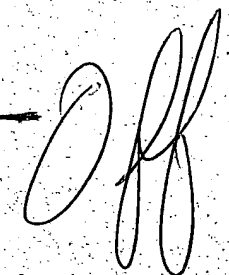

FROM : Director of Central Intelligence

SUBJECT : Gridiron Dinner - Press Contacts

At the Gridiron Dinner, I made the following press contacts:

1. Mr. Joe Albritten - Owner of the Washington Star - nice visit, indicated he'd like me to come over and meet with their Editorial Board. (Says he always gives the invitee the chance to throw any one member of the Board out of the interview!) Indicated that he was in no hurry for this, perhaps two or three months.

2. Mr. John Watkins - Editor of the Providence Journal - just a good, old friend from Newport. The thought crossed my mind that when I go up on the 21st of May for an evening at Bryant College, I could volunteer to go a couple of hours early and have a late afternoon session with John and his Editorial Board. We'd get good press in Rhode Island. If you think that's worthwhile, talk to  about planning details.
